

Discover what PRYME® has to offer with our award-winning product line.

For 25, years, PRYME® has been a leading manufacturer of high-quality products for professional two-way radios, including Speaker Microphones, Surveillance Kits, Lapel Microphones, Headsets, Wireless and PoC accessories. Our line of accessories serves many markets, including public safety, police, fire, emergency services, healthcare, security, oil & gas, tactical and hazmat professionals, as well as industrial, commercial, hospitality and entertainment markets.

Many companies copy and import products similar to ours, but at PRYME®, we control the design and manufacturing of everything we sell. At PRYME, we INVENT, DESIGN and BUILD the finest professional-grade accessories for 2-way radios.

In addition to the superior quality of our products, we are committed to providing you with the highest level of customer service, which includes FREE shipping on qualifying orders, personalized sales representatives who are available Monday through Friday, from 6AM-4:30PM PST, a money-back guarantee, and automatic replacement of parts covered by our warranty. We promise you will receive the greatest value for your radio accessory purchase.
