

PRYME SILHOUETTE® SMC-1LW

Super Small, Remote Speaker Microphone

Designed with retail, hospitality, and healthcare users in mind, our SMC-1LW SILHOUETTE® is our smallest, lightest speaker microphone yet. The SILHOUETTE® is as discrete and unobtrusive as it is easy-to-use. Despite its small size, the front-firing, high-output speaker is just as loud and easy to hear as a speaker microphone twice the size.

MSRP \$25

CURRENTLY AVAILABLE CONNECTORS
