

# PRYME SYNERGY™ SPM-600 OEM Style Remote Speaker Microphone

The SPM-600 Synergy™ is a solidly built speaker microphone modeled from the radio manufacturer's original offering, but at a fraction of the cost. Now with our full 2-year limited warranty, the SPM-600 uses many of the same cables and parts of our other speaker microphones. Custom printing of your company name and logo is available for orders of 100 pieces or more. It has a standard 3.5mm jack for our listen-only earphone options.
