

Conversion Adapters for PRYME and OEM Audio Accessories

PRYME®

PRYME makes a wide variety of adapters which allow you to use the same audio accessory or microphone on several different models of two-way radios. Our adapters can save you money when upgrading radios, allowing you to continue to use existing audio accessories that you already have. Or you can share the same audio accessory between two different radios.

| PART NUMBER | CONNECTOR | ADAPTER | RADIO MODELS | PRICE |
