PRYME's Quick Disconnect audio accessories and adapters provide both security and usability. Just install the adapter onto the radio and then plug the QD accessory into the six-pin QD connector. The push-pull mechanism locks the accessory in place during use, but still allows you to quickly remove it from the radio without tools if necessary.

## Quick Disconnect Feature

PRYME's QD connectors are die-cast and precision machined for superb fit and incredible durability rivaling the OEM models.
