

SPM-3000

Medium Duty Lapel Mic with Bullet Transducer

PRYME®

The SPM-3000 - Medium Duty Lapel Microphone with an in-line acoustic tube earphone, featuring a micro speaker-transducer (sometimes called a "Bullet Transducer.") Heavy-duty cable with a strong polyurethane jacket and superior strain relief, polycarbonate housing, and dual switch technology.

FEATURES

- Rugged lapel mic with surveillance style acoustic tube earphone
- High performance BULLET style speaker is small and lightweight, but puts out loud, high-quality audio
- Bullet style transducers have much less audio leakage than typical models
- High-quality electret condenser mic element produces excellent transmit audio
- Rugged, polycarbonate housing is designed to reduce background noise
- Polyurethane jacketed coiled mic cable
- Features Dual Switch Technology (DST) for maximum durability
