HEADSETS FOR MOBILE RADIOS

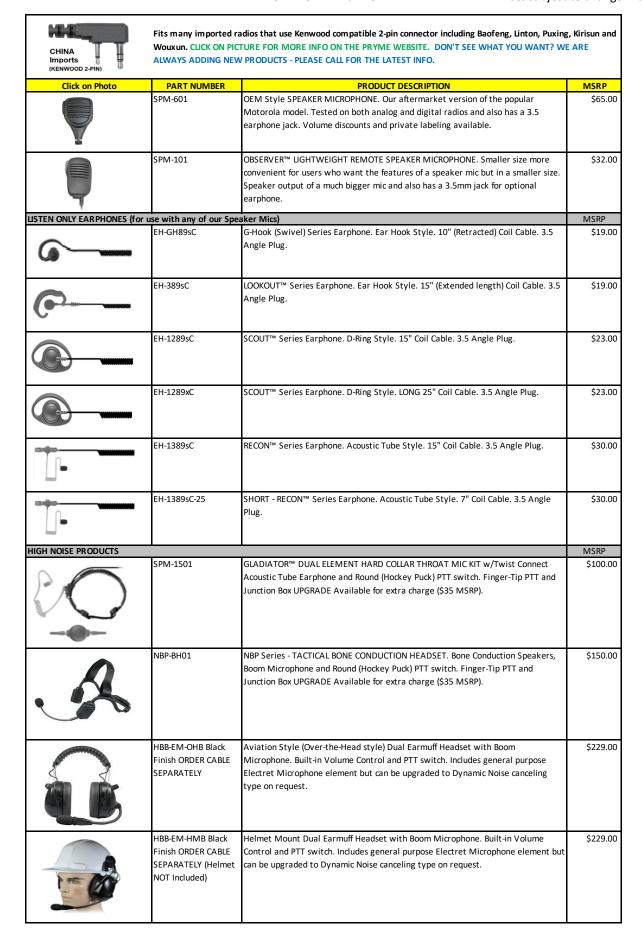

Sometimes a user needs a comfortable headset to use on their Mobile Radios. The HLP Series is a light but very rugged Headset with padded Speaker and headband for maximum user comfort. The Mobile Radio version of the HLP series features a 6 foot shielded cable, in-line PTT switch and a selection of popular radio connectors (many are plug-and-play but rear accessory connected headsets might need radio re-programming or internal radio modifications - check with the factory for details if you need rear accessory connected models). CLICK ON PICTURE FOR WEB LINK TO FIND OUT MORE.

Fits the New Motorola CLPe seriesseries. For the e-Series Motorola changed the way the connector locks onto the radio so even though it looks similar to olded versions (like our M7 connector) the M18 must be used on the e series radios. CLICK ON PICTURE FOR LINK TO PRODUCT ON THE PRYME WEBSITE. DON'T SEE WHAT YOU WANT? WE ARE ALWAYS ADDING NEW PRODUCTS - PLEASE CALL FOR THE LATEST INFO.
